

September 3rd 2020

Dear family and friends of Ebenezer,

As we approach the exciting September 13 date for reopening our Sunday worship services in the Sanctuary, we are pleased to provide more detailed information about the processes prepared by our leadership for a safe and secure return to church. The enclosed "Guidelines" document summarizes what you will need to know and we hope you find it helpful.

As the maximum number of people who can legally attend any public gathering, including church services is still 50, processes have been put in place to ensure that we observe this guideline. Our goal is to welcome back to church everyone who chooses to attend as soon and as comfortably as possible, while ensuring that we follow the best health and safety principles.

As noted in the guidelines, **you will need to register to attend each Sunday by calling or emailing the church office.** Each week registrations will be accepted between **9 am Wednesdays and 12 pm Saturdays.** You will need to provide the first and last names of each person who will be attending with you and a contact number. If there is no space available you will be informed. The services will continue to be recorded and will be available online.

If you need any assistance accessing any of our online resources, please let us know. Also, if you have any questions or concerns about any of our plans, please do not hesitate to call one of our leadership team.

Because of the ongoing CoVID-19 restrictions, we obviously cannot fully return to church as "normal," but resuming our onsite worship services after six-months will mark an important milestone on our spiritual journey and an occasion for great celebration.

Thank you for your prayers and for your continued support of the ministry and mission of Ebenezer. As we walk together, may we continue to be encouraged to step out in faith, to take heart, and to "trust in the Lord with all our hearts" (Proverbs 3:5).

With our prayerful best wishes,

Yours in Christ,

Bill Konnert,
Moderator

Dr. John Oakes,
