

“Trust in him at all times, you people; pour out your hearts to him, for God is our refuge.” (Psalm 62:8)

November 21st, 2020

Dear family and friends of Ebenezer,

In light of the latest provincial health orders issued by Dr. Bonnie Henry, we regret to inform you that Ebenezer is unable to hold on-site services for at least the next three Sundays and possibly longer, depending on the developing situation with COVID-19 and how the BC Government responds.

As a result, we will be reverting to online services only from this Sunday, November 22. The recordings will be available in their usual places from 10:30 a.m. on Sundays on the “Ebenezer Baptist Church Vancouver” channel of YouTube, as well as through our website and Facebook pages.

Our leadership team will be reviewing the situation carefully in light of further guidance and direction from the government and we will write in the first week of December with an update about our service plans for the remainder of Advent and Christmas in particular.

This has been a challenging year for us all and the second surge of the pandemic, which is now upon us, is already causing further disruptions and unsettlement. Please rest assured that you are in our prayers and that our leadership will be doing what we can to be of support.

If you have any specific requests for prayer or other help or information, please do not hesitate to contact me or the church office. Above all, may we all remember during these difficult days that “The Lord is good, a refuge in times of trouble. He cares for those who trust in him” (Nahum 1:7). And may we trust that “in all things God works for the good of those who love him, who have been called according to his purpose” (Romans 8:28).

Every blessing in Christ,

Your brother in Christ,

Dr. John Oakes,
Senior Pastor.

We seek to glorify God by winning & building passionate, life-long followers of Jesus Christ
